Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner contacted Ms. Stockley to inform her that the application would be in condition for allowance if claims 12 to 17 were amended by deleting "Y is a colorant residue; and". The amendment is necessary since Y is not a part of the formulas in these claims. It was agreed that claims 12 to 17 would be amended as discussed above by examiner's amendment..
